Producer Outi has worked professionally in films since 1985. She has produced & co-produced some 50 films in all genres – shorts, features, docs, fictions, for kids, dance films, media art. Outi's company Pystymetsä Oy, established in 2001, is interested in films with impact.

She is an active co-production partner. The two co-productions premiered in Finland in 2024. The most recent short doc **The Instruments of a Beating Heart** was [Oscar](#) nominated in 2025 and originally released at the New York Times OP-DOCS platform in Nov 2024. The film is a short version of the feature documentary **The Making of a Japanese** (KOULUVUOSI JAPANISSA) by Ema Ryan Yamazaki, produced by Eric Nyari, in US/Japan based Cineric Creative and French Luc Martin-Goussat, Print du Jour for NHK, YLE and France Televisions (sales Autlook). The Polish-Finnish-German documentary **VIKA!** directed by Agnieszka Zwiefka, produced by Katarzyna Slesicka & Anna Stylowa, My Way Studio (Poland) with Heino Deckert, ma.ja.de (Germany) for HBO, Yle and RUV (sales Deckert Distribution) premiered at the DocPoint festival 2024. In 2021 premiered in Finnish cinemas the documentary **Raise the Bar** (TYTÖT - PIDETÄÄN PALLO) by Gudjon Ragnarsson, with producer Margret Jonasdottir, Saga Film (EDDAN award 'Best Documentary 2022', [ECFA](#) Best European Documentary for Young audience 2022, and many other awards). Cats&Docs handles the sales.

Previously premiered the feature films '**Miss Blue Jeans**' (with Anita Oxburgh & Lizette Jonic, Migma Film, Sweden 2021), Eurimage supported '**Garbage Prince**' (with Lars Loge, Flimmer Film, Norway, 2011), '**Stars above**' (with Snorri Thorisson, Pegassos Film, Iceland 2012), **Engelen** (with Thomas Robsahm, Speranza & Anita Oxburgh, Migma Film, 2009), **VALO** (with Thomas Robsahm&Margreth Olin, Speranza, Norway & John O. Olsson, Giraff Film, Sweden 2006) as well as docs, such as **US BOYS** by Lionel Mills, produced by Brian Willis, Igloo Films, Ireland.

Outi's films have been awarded in international and domestic festivals and forums, 8 films awarded the State film prize and 12 JUSSI (Finnish Oscar) nominations, 2 JUSSI awards and 1 EDDAN award, 2 EDDA nominations. A co-production RAISE THE BAR awarded The Best European Documentary film for children and young people in 2022 by ECFA (European Childrens' Film Association). Outi awarded '**Little Bear**' prize in 2008 for her work for improving

childrens' film culture in Finland. Her special interest is films for younger audience. She attends yearly the film events and forums, such as [IDFA](#), [Nordisk Panorama](#) and [MBrane](#).

Outi is an [EAVE](#) graduate (1997) and film producer of Art Academy TAIK (1996). She has studied in international film workshops since 1994, such as [CineKid ScriptLAB](#) (2021-2022), [DOK.Incubator](#) (2019) editing and marketing workshop of documentaries, **SOURCES2** script workshops (2002&2008), SOURCES TrainingMentors (2015) and in other workshops on co-production, script writing, film distribution and marketing.

In 2014-2019 Outi was a film commissioner for documentaries & shorts at [AVEK](#) and she granted production support for international co-productions with the Finnish producer as a minor producer.

Outi is a chair of the Regional [Arts Promotion Centre](#) in 2025-2026, which is the expert body for the Ministry of Education & Culture, a board member of Church Media Foundation in 2023-2025 and member of **APFI** – Audiovisual Producers in Finland. In 1997-2001 she was a member of the **National Cinema Council** and in 2020-2023 a chair of the board of [DocPoint](#) **Documentary film** association, overlooking the activities of the DocPoint Documentary Film Festival, DOKKINO and DocPoint IMPACT. **The European Film Academy** invited Outi to the selection committee of the Young Audience Award. The awarded film is a documentary **The Remarkable life of Ibelin** by Benjamin Ree (Norway).
